Harold —

(1) Yes, please, send me the blurb on Mark Lane's book.

(2) No, do not return the errata sheet — it is a roneo and I have more copies.

(3) Page 107 last line, should be "Exhibit 162" (not "182")

(4) Page 110, 4th line from bottom, "leery" (not "leary")

(5) Will write soon as time permits.

Sylvia
